GENERAL REMARKS

An edifying spirit of religion and piety permeates the boys of this school. They are generally keen on their work and they desired to excel in the examinations. Work submitted in all subjects was satisfactory spelling & mental not being up to the standard of the other subjects.

Christian doctrine holds first place in our regard. Hence some extra time should be given to it for the rest of the year to make up for that lost in preparing for the Centenary Celebrations. The boys at present know the Catechism; but need prompting to produce the answers. Later in the year it is expected that they will be alert and prompt in giving the correct answers.

Daily correction of Home Exercises is a major task in the junior grades.
